

Revolution Iced™

The first great tasting beverage program featuring real fruit, herbs and tea.

Benefits

- Great taste, no waste
- Ease of use – low maintenance, no calibration and no electricity required
- Minimal clean-up
- Single serving prepared in less than 10 seconds
- Natural ingredients
- On-site introductory training from Revolution Tea Authorized Distributors

Consumer Benefits

- Served fresh on-demand
- Unique and inspired flavors
- Low calories and low sugar
- Natural ingredients and sweeteners
- Rich with antioxidants

The Flavors

- Red Hawaiian Iced (Caffeine Free)
- Golden Peach Iced
- Classic Iced (Unsweetened)
- Classic Sweetened Iced
- 50/50 Iced

New

Eliminate Waste Revolution Tea's unique beverage delivery system eliminates the need to batch up 3 gallons or more in advance. Served fresh by the glass and pitcher means no iced tea to throw away.

Faster Service Revolution Iced brewers deliver on-demand, so customers never have to wait; versus running out mid-shift and having to endure a 10-12 minute brew cycle.
